Exam Questions MB6-701
Microsoft Dynamics AX 2012 R2 Retail
1. You are the manager of a company's loyalty program. You use Microsoft Dynamics AX 2012 R3.

You need to verify that a special promotion has been created for your Gold Loyalty cardholders. The promotion offers these cardholders 50 percent off all clothing items for the next 30 days.

Which form should you use?
A. Affiliation Price Group form
B. Catalog Price Group form
C. Retail Category Price Group form
D. Retail Channel Price Group form
Answer: C

2. Your work includes maintaining the sales quotation parameters in Microsoft Dynamics AX 2012 R3 headquarters.

For quotations placed through an Enterprise point of sale (ePOS) register, you need to ensure that when you update the price group in the quotation header, the system automatically updates the unit price in the quotation lines without any user intervention.

What should you set in the update quotations lines parameter?
A. Set the Updating unit price to Prompt.
B. Set the Updating unit price, Discount, Discount percent, charges code, and external to Prompt.
C. Set the Updating unit price, Discount, Discount percent, charges code, and external to Always.
D. Set the Updating unit price to Always.
Answer: B

3. You are creating items for a shoe store.

You need to set up the items so that size and color are two variants.

Which product sub-type should you use?
A. Item
B. Service
C. Product master
D. Product
Answer: C

4. For one of your store channels, you have four employees assigned to Job J01, which is defined as a sales associate position with limited POS Permissions.

One of these four employees requires a different POS Permission. The POS Permission needs to allow the employee to perform additional functions.

You create a POS Permission group named Senior Sales Associate to define the functions the employee can perform.

You need to ensure the employee can utilize these elevated permissions.

What should you do?
A. Tie Permission Groups "Senior Sales Associate" to Job J01.
B. Tie Permission Group "Senior Sales Associate" to Jane's department.
C. Tie Permission Group "Senior Sales Associate" to Jane's Worker Record
D. Tie Permission Group "Senior Sales Associate" to the position
Answer: C

5. You are the distribution manager for your company. You use Microsoft Dynamics AX 2012 R3.

You are setting up replenishment rules for your warehouses attached to the retail channels.
